Yorkshire H Health Campaigns Together

Dear .....

I urge you as my Councillor/MP to

- ❖ Resist cuts and closures to our NHS and reject the Sustainability and Transformation Plan (STP) for our region that is shrinking, outsourcing and dismantling our NHS
- ❖ Insist the Government allocates more resources to the NHS to provide excellent, safe care for us all - at least 4% increase per year
- ❖ Support the NHS Bill to stop Privatisation and restore a publicly funded, publicly provided NHS which provides free health care for us all
- ❖ Support the National NHS Demonstration 4<sup>th</sup> March 2017 in London, The Leeds March for the NHS 1<sup>st</sup> April 2017 and other protests across the region. No Cuts! Save Our NHS!
